Awake from winters rest
Why cleave unto the dust?
From lower loves, desires
Pursuits and fears

Don't wait for passing moments
I'm calling for you, now
I'm calling for you to come

Rise up my love
(Rise up)
My fair one, come away

Rise up my love
(My love)
My fair one, come away

Kindle sacred flames
Of love within my heart
My love, I count you fair
This argument to rise

Don't wait for passing moments
I'm calling for you, now
I'm calling for you to come

Rise up my love
(Rise up)
My fair one, come away

Rise up my love
(My love)
My fair one, come away

Rise up my love
My fair one, come away

Rise up my love
(Rise up)
My fair one, come away

My fair one, come away
