"When All We Have Is Taken Comfort"

If I'm unable when you are calling
If I'm unable
If I'm unable when you are calling
If I'm unable

When all we have is taken
All we have is taken now

Take my affliction
I'm cured with your comfort
Take my affliction
Take my depression
I'm cured with your comfort
Take my depression

Will you learn fire burns?
When all we have is taken
I'm falling to grace again
When all we have is taken
Take it all, take it now, I surrender...
Hallelujah
