I sit here with your dreams
They are screaming with
A perpetuate and constant flowing
Rhyming and flowing

And you mean the world to me
Are we okay? Maybe we can talk about it

Do you feel prettier now?
Do you feel?

I can make this last
And I can hold you tightly
When loneliness
Has never felt so alive

You look prettier now
You look beautiful now
You look prettier now

And you mean the world to me
Are we okay? Maybe we can talk about it
And you mean the world to me
Are we okay? Maybe we can talk about it

Are we okay?
Are we okay? Maybe we can talk about it

And we mean the world to me
Are you okay? Maybe we can talk about it
And you mean the world to me
Are we okay? Maybe we can talk about it, yeah, yeah,
yeah

You look beautiful now
