Someone tell me why I do the things  
That I don't wanna do  
When you're around me I'm somebody else  
Someone tell me why I act like a fool  
When things don't go my way  
When you're around me I'm somebody else

There is good reason I guess  
Having once gone too far  
When you clean out the hive  
Does it make you want to cry  
Are you still being followed by the teenage FBI

Someone tell me why  
Someone tell me why  
Someone tell me why I do the things  
That I don't wanna do  
When you're around me I'm somebody else  
Someone tell me why... I do the things  
Someone tell me why... I do the things  
Someone tell me why... I do the things
