What has been done to you has been done for a reason
From where I'm stood, the view reminds me of home
A promise is made in good faith, it means everything
You mean more to me each day
And you mean everything everything

What has been done to you has been done for a reason
From where I'm stood, the view reminds me of home
I should know, I should know, I won't fight, I won't fight

Well, I won't fight, I won't fight, well, I won't fight
Well, I won't fight
Fight, fight, fight, well, I won't fight
Well, I won't fight
Well, I won't fight, fight, fight, fight
