City's breaking down on a camel's back
They just have to go 'cause they don't know wack
So all you fill the streets, it's appealing to see
You won't get out the county 'cause you're bad and
free

Windmill, windmill for the land
Turn forever, hand in hand
Take it all there on your stride
It's ticking, falling down
Love forever, love is free
Let's turn forever, you and me
Windmill, windmill for the land
Is everybody in?

Feel good
Feel good

You've got a new horizon, it's ephemeral style
A melancholy town, where we never smile
And all I wanna hear is the message beep
My dreams they gotta kiss me 'cause I don't get sleep,
no
Windmill, windmill for the land
Turn forever, hand in hand
Take it all there on your stride
It's ticking, falling down
Love forever, love is free
Let's turn forever, you and me
Windmill, windmill for the land
Is everybody in?

Feel good

Feel good

I'm so glad I've found this
I'm so glad I did
I'm so glad I've found this

I'm so glad I did

Feel good
