What a time to go
When he needs you so
Things are better from the outside
What a time to go

Given time, we're here
Given space, we broke
Things are better from the outside
Given time, we're hear

You'll be fine, you need to discover
You'll be fine, you need to discover
You'll be fine, you need to discover
You'll be fine, you need to discover

You'll be fine, you need to discover
You'll be fine, you need to discover
You'll be fine, you'll be fine
