There's blood in the sky,  
It bleeds from the land

Behind those eyes,  
Diamonds turn to sand.

Such a beautiful fall,  
I saw the surface break,

The water's so cold,  
Your body shakes.

On a stormy day the clouds move too fast to see,  
The shapes they make or how they wrap,  
Our little world right up.

Ohhhhhh!  
I'm in your garden, but I want a forest.  
I'm in god's garden,  
I'll make it a forest,  
I'll make it a forest.

You cut your ideas, in your own way,  
The silly little plans, the games you play.

You try to make me lose faith,  
We're all made that way.

There's a diamond in the rough,  
There's a needle in the hay.

On a stormy day the clouds move too fast to see,  
The shapes they make or how they wrap,  
Our little world right up.

Ohhhhhh!  
I'm in your garden, but I want a forest,  
I'm in god's garden,  
I'll make it a forest..

I'm in your garden, but I want a forest,  
I'm in god's garden,

I'll make it a forest,  
I'll make it a forest.
