Look up look up look up there  
It's a long way down  
Look up look up look up now  
It's a long way down

You fail you fail to see now  
What you need the most  
Making a meal of me now  
You're the perfect host

This lot  
This lot  
Has messed you around  
Well this lot  
This lot  
Has messed you around

Open your arms in welcome  
To people to your town  
Look up look up look up now  
It's a long way down

This lot  
This lot  
Has messed you around  
Well this lot  
This lot

Has messed you around

This lot  
This lot  
Has messed you around  
Well this lot  
This lot  
Has messed you around

Open your arms in welcome  
Open your arms in welcome  
Open your arms in welcome  
Open your arms in welcome  
Open your arms in welcome

Open your arms in welcome  
Open your arms in welcome  
Open your arms in welcome

Open your arms in welcome  
People to your town  
Open your arms in welcome  
People to your town
