I've got my spine, I've got my orange crush  
I've got my spine, I've got my orange crush

Follow me, don't follow me  
I've got my spine, I've got my orange crush  
Collar me, don't collar me  
I've got my spine, I've got my orange crush

We are agents of the free  
I've had my fun and now its time to  
Serve your conscience overseas  
(Over me, not over me)  
Coming in fast, over me  
Coming in fast, over me

High on the roof, thin the blood  
Another one on the waves tonight  
Coming in, you're home

We'd circle and we'd circle  
And we'd circle to stop and consider and  
Centered on the pavement  
Stacked up, all the trucks jacked up and

Our wheels in slush and orange crush  
In pocket and all this here county  
Hell, any county it's just like heaven here  
And I was remembering

And I was just in a different county  
And all then this whirlybird  
That headed for I had my goggles pulled off  
I knew it all I knew every back road and every truck stop

Follow me, don't follow me  
I've got my spine, I've got my orange crush  
Collar me, don't collar me  
I've got my spine, I've got my orange crush

We are agents of the free  
I've had my fun and now its time to  
Serve your conscience overseas

(Over me, not over me)  
Coming in fast, over me  
Coming in fast, over me

High on the roof, thin the blood  
Another one on the waves tonight  
Coming in, you're home
