Pull the blindfold down  
So your eyes can't see  
Now run as fast as you can  
Through this field of trees

Say goodbye to everyone  
You have ever known  
You are not gonna see them ever again

I can't shake this feeling I've got  
My dirty hands, have I been in the wars?  
The saddest thing that I'd ever seen  
Were smokers outside the hospital doors

Someone turn me around  
Can I start this again?

How can we wear our smiles  
With our mouths wired shut  
'Cause you stopped us from singin'

I can't shake this feeling I've got  
My dirty hands, have I been in the wars?  
The saddest thing that I'd ever seen  
Were smokers outside the hospital doors

Someone turn me around  
Can I start this again?  
Now someone turn us around  
Can we start this again?

We've all been changed  
From what we were  
Our broken hearts  
Left smashed off the floor

I can't believe you  
If I can't hear you  
I can't believe you  
If I can't hear you

We've all been changed

From what we were  
Our broken hearts  
Smashed off the floor

We've all been changed  
From what we were  
Our broken hearts  
Smashed off the floor

Someone turn me around  
(We've all been changed from what we were)  
Can I start this again?  
(Our broken hearts smashed off the floor)  
Now someone turn us around  
(We've all been changed from what we were)  
Can we start this again?  
(Our broken hearts smashed off the floor)
