You invite me to a war party me no wanna go

Everybody seem to be inviting me

To a war party me no wanna go

Heard about the last one so thanks but-no thank you,
you

You killed off all the Indians and you killed off all the
slaves

But no quite so you killed off the remains

You a look for me I'm looking for you

I can't believe what they say about you is true

That you're a bad star just like Pharaoh

You killed the children just like Pharaoh

Now you send a ticket for me

It don't have R.S.V.P.

Oh Lord it's a war party me no wanna go

Everybody seem to be inviting me

To a war party me no wanna go

Heard about the last one so thanks but-no thank you,
you

You've invited all our wise men many time before

To dance around your fires and even out your scores

And when tolls taken of the valiant and the brave

The only decoration is the one upon the graves

Oh no you're a bad star just like Pharaoh

You killed the children just like Pharaoh

Now you send a ticket for me

And it don't have R.S.V.P.

Oh Lord it's a war party me no wanna go

Everybody seem to be inviting me

To a war party me no wanna go

Heard about the last one so thanks but-no thank you

Live right, live right

Please don't send no ticket for me

No don't send no ticket

No don't send no ticket for me

If it don't have R.S.V.P.

Oh Lord it's a war party me no wanna go

Everybody seem to be inviting me

To a war party me no wanna go

Heard about the last one so thanks but-no thank you

Do you wanna go, say no

Oh, do you wanna-na-na go, say no

Me no wanna go right now

Me no wanna go right now

They invite me to a war party me no wanna go

Everybody seem to be inviting me

To a war party me no wanna go

Heard about the last one so thanks but-no thank you
