blaque. bliss. wha what wha what
somethings on your mind
cus you dont seem happy
know a place where theres no misery
you don't have to worry ohh
forget all you know
and everything you heard
take my hand don't be scared
just believe in everything you dream
yo let me tell you 'bout the place i know
where all the hunny flows
and the streets are paved with gold
where halos and mountain wings
and everybody loves to do they own thing
i've seen alot of con see a lot of pros
and this place is worth to go yo
so just imagine your favorite wish
into what we call the land of pure bliss
it's pure bliss
you've never been to a place like this
where water falls and rainbows kiss
so let me take you there
just when you thought that you've seen it all
everything is off the wall
let me take you there
to a never ending story
no more pain it won't hurt
let it go nobody has to know
take your time make a wish
and watch it come true
it's your fantasy do what you do
make all the rules baby
yo let me tell you bout the place i know
where all the hunny flows
and the streets are paved w/ gold
with halos and mountain wings
and everybody loves to do they own thing
i've seen alot of con see a lot of pros
and this place is worth to go yo
so just imagine your favorite wish
into what we call the land of pure bliss
it's pure bliss

you've never been to a place like this
where water falls and rainbows kiss
so let me take you there
just when you thought that you've seen it all
everything is off the wall
it's pure bliss
you've never been to a place like this
where water falls and rainbows kiss
so let me take you there
just when you thought that you've seen it all
everything is off the wall

everything is off the wall

you've never been to a place like this
where water falls and rainbows kiss
so let me take you there
just when you thought that you've seen it all
everything is off the wall

we make your dreams become reality baby
