See what I know is  
When you tryna get wit someone  
It should never be about  
Money, cars, diamonds, or rings

(Shamari)  
There you are  
Looking as fine as can be  
In your fancy car  
I can tell you looking at me  
What you wanna do?  
Are you just gonna sit there and stare?  
Baby talk to me  
Tell me what's on your mind, baby oh

1-  
Oh baby, bring it all to me  
But I don't need no fancy cars or diamond rings  
Oh baby bring it all to me  
Gimme your time, your love, your space, your energy

(JC)  
Baby, what's the deal?  
Would I be too forward if I  
told you how I feel  
That's just the way I do my thang  
I'm so for real  
I'm feeling your Timb's, your baggy jeans  
Your thug appeal  
'cause I like it when a man can keep it real  
Oh

REPEAT 1

Oh, baby

(Shamari)  
Oh, I'll put my pride to the side  
Just to tell you how good you make me feel inside

(JC)  
There's not a single question

That we can't make this right  
Cause' it's you I need every day and night  
Oh baby yeah

REPEAT 1 until fade
