(Natina) Intro

Now see,
This is the kind of jam
That should make every body get up
No matter where you are
Yea you and you and clap your hands

Chorus

If you do for me, I'll do for you
If you do for me, I'll do for you x2

Verse1 (Brandi)

(hit me...)
Don't ever say that I don't love my man(no)
You just don't under stand
That he means the world to me (huh?)
He gives what I want and thats for sure
No need to say no more
'Cause I will do anything for you

Chorus

Verse2 (Shamari)

(hit me...)
My baby says hes got it all the time
(I bet)
Won't let me spend a dime
'Cause he knows thats what I like(Natina laughs)
Don't ever have to worry about a thing (no)
And I don't feel no shame
Cause I will do anything Oh!
