BLAQUE LYRICS

"Im Good"

Yeah

Uh huh

New Blaque

Darckchild, Darkchizzle

The jump off

Is it true that im the one making you nervous?
Trying real hard as if im for show press
By you and your crew, that's helpless
You saw that X5, that's me out side
I know you, kinda seem so confused
You can't understand how my diamonds see through
But it's cool it's true, it's unusual
A girl so fly out shining a guy

I wanna talk about this, lets talk about it
I wanna talk about this, don't think about it
You want me on the floor, that's what I came here for
So pump ya breaks it seems as if ya wantin' more

It aint me, im sorry you got the wrong one
It aint me, I just came out to have fun
It aint me, go and find another one
I don't like what your kickin' son, now leave

Cause even if I leave alone, I'm good
And even if you come along, I'm good
Don't mean a thing to me cause, I'm good
With or without you
If you wanna play games with me then, I'm good
Say what you do for me than, I'm good
It don't really mean a thing cause, I'm good
With or without you

I'm good I'm good without you
I'm good I'm good
I'm good I'm good without you
I'm good I'm good

Playa please, please stop frontin' and do you
I didn't know Benz started makin Isuzu's
But it's cool, cause I do what I do
Which causes me not to be needin' you
When I leave, I got a crib to go to
That I got myself straight out of high school
So if you comin' at me, be ready
Cause there aint no way im gonna let somebody play
me

I wanna talk about this, lets talk about it
I wanna talk about this, don't think about it
You want me on the floor, that's what I came here for
So pump ya breaks it seems as if ya wantin' more

It ain't me, im sorry you got the wrong one
It ain't me, I just came out to have fun
It ain't me, go and find another one
I don't like what your kickin' son, now leave

Cause even if I leave alone, I'm good
And even if you come along, I'm good
Don't mean a thing to me cause, I'm good
With or without you
You wanna play games with me then, I'm good
Say what you do for me than, I'm good
You don't really mean a thing cause, I'm good
With or without you

I'm good I'm good without you
I'm good I'm good
I'm good I'm good without you
I'm good I'm good

[Rap]
Yo, im only Clyde if you clip me
And I still got ice even if you aint wit me
Candy paint and I still bump Biggie
Halter, throwback, ripped up dickies
Ya hate me cause I am nice up on the mic
I'm twice the size of rice
My flow keepin the mics
Brain dead you need cents like 50
I don't want you to love me like Bobby and Whitney
No

Cause even if I leave alone, I'm good
And even if you come along, I'm good
Don't mean a thing to me cause, I'm good
With or without you
If you wanna play games with me then, I'm good

Say what you do for me than, I'm good
You don't really mean a thing cause, I'm good
With or without you

Cause even if I leave alone, I'm good
And even if you come along, I'm good
Don't mean a thing to me cause, I'm good
With or without you
If you wanna play games with me then, Im good
Say what you do for me than, I'm good
You don't really mean a thing cause, Im good
With or without you

I'm good I'm good without you
I'm good I'm good
I'm good I'm good without you
I'm good I'm good
I'm good I'm good without you
I'm good I'm good
I'm good I'm good without you
I'm good I'm good

I'm good !
