*[Brandi]*

I'm drowning in the shallow waters  
And I'm trying so hard to reach the top  
Something so pure, in the air to catch  
I can see it above me

*[Natina (Brandi)]*

A breathe of freedom (release me)  
A choice to change  
A new direction (release me)  
I feel so trapped (let me go)

*[Brandi]*

And as the sunlight tries to guide me  
I keep pretending there's nothing there  
And now I'm so deep  
No where near the end  
And I keep going down, so down

*[Natina (Brandi)]*

I begin to see the person (release me)  
Holding me, is me  
Let it go (release me)  
Let it go (ooh, ooh)  
(Release me)

*[Brandi (Natina)]*

I can't fight it (I can't fight it)  
And I won't deny it (I won't deny it)  
As times go by  
I'll remember

*[Natina]*

That it's me who holds the key

*[Natina (Brandi)]*

Let me go (release me)  
Let me go (release me)  
(Release me, yeah)
