Mmm

(Ahh ha)

Yeah baby

(Woo woo)

Ohh ohh

Ahh ooh

I've got to know what's going on, baby

Why things between us, they are so shady?

(Ahh ha)

I thought we had, had an understanding

That it would go down when I'm good and ready

(It was all the simple thing that made)

That made me wanna get with you, be your boo

(Then you started trippin', running game)

So now you gotta choose

That's why I'm tellin' you?

(That's why)

If you're gonna roll with me, baby let me know

(Know)

If all you wanna do is get down, then you gotta go

(You gotta go)

Baby, I'll let you know when it's right for me

(What is right for me?)

(Aah ha aah ha)

So baby, in the meantime, I think you need

(I think you need)

To get to know, know, know me

(Yeah)

What you tell me, you wanna be with me?

(Woo)

I feel that it's just a hit and a run my baby

Lately, I've been checkin' out the facts

That's why I won't get up on my back

(It was all the simple thing that made)

That made me wanna get with you, be your boo

(Then you started trippin', running game)

Woo ooo, haa

So now you gotta choose
That's why I'm tellin' you?
(That's why)

If you're gonna roll with me, baby, let me know
(Let me know)
If all you wanna do is get down, then you gotta go
(Ooh you wanta do)
(Yeah yeah yeah)
Baby, I'll let you know when it is right for me
(What is right for me?)
(Aah ha aah ha)
So baby, in the meantime, I think you need
(I think you need)
(Woo woo)
To get to know, know, know me
(Yeah)

So what? I'm not drivin' a Benz like you
(Nanana nana nana)
So what? I ain't got million friends like you
(Nanana nana nana)
But uh, Blaque rock a party til' there's no trace
(Nanana nana nana)
Of the people, of the liquor, of the place, what
(Nanana nana nana)
And why I got's to snap to keep myself true?
(Nanana nana nana)
Open up the atmosphere, let my storm clouds through
(Nanana nana nana)
And when Blaque erupts you better throw your hands
up
(Nanana nana nana)
Like some scissors, you all better just cut, uh
(Nanana nana nana)
(If you're gonna roll)

If you're gonna roll with me, baby, let me know
(Hoo)
(Let me know)
(Aah ha aah ha)
If all you wanna do is get down, then you gotta go
(All you wanna do is get down)
Baby, I'll let you know when it is right for me
(Right for me)
(Aah ha aah ha)
So baby, in the meantime, I think you need
(Baby please)
To get to know, know, know me
(Get to know me)

If you're gonna roll with me, baby, let me know
(Yeah yeah)
If all you wanna do is get down, then you gotta go
(Come on baby)
(Get it, get it woo)
Baby, I'll let you know when it is right for me
(Aah ha aah ha)
So baby, in the meantime, I think you need
(Nanana nana nana)
To get to know, know, know me
(Nanana nana nana)
(Yeah, get to know)

Nana nana nana nana
(Aah ha aah ha)
Nana nana nana nana
Nana nana nana nana
(Yeah yeah yeah)
Nana nana nana nana
(Woo woo)
Nana nana nana nana
(Yeah yeah yeah)
Nana nana nana nana
Nana nana nana nana
(Aah ha, yeah haa)
