[Shamari]

Lyin' in my bed
I hear the clock tick and think of you
Caught up in circles
Confusion is nothing new
Flashbacks, warm nights
Almost left behind
Suitcase and memories
Time after

Sometimes you picture me
I'm walkin' too far ahead
You're calling to me
I can't hear what you said

[Sharmari] (Natina)

Then you say go slow
I fall behind (I fall behind)
The second hand unwinds

1 - If you're lost, you can look
And you will find me
Time after time
If you fall, I will catch you
I'll be waiting
Time after time

Repeat 1

[Shamari]

After my picture fades
And darkness has turned to gray
Watching through windows
You're wondering if I'm okay
Secrets stolen from deep inside
The drum beats out of time

Repeat 1

[Shamari] (Natina)

You said go slow
I fall behind (I fall behind)

The second hand unwinds

Repeat 1

Repeat 1

Time after time

Time after time

Time after time

Time after time

Time after time

Time after time

Time after

Time after
