You got me now  
Don't look behind  
Yeah babe, I'm you number one

No time for break  
You're on my way  
You're gonna be my only one

I just can't imagine my life  
Without you anymore

Don't go breaking my heart

Don't tell me now  
You're getting blind  
You know a star is born to shine

No time to fake  
Do as I say  
You're gonna be my lucky star

I just can't imagine my life  
Without you anymore

Don't go breaking my heart

I can easily dry your tears  
I can make you forget all your fears

You love me now  
I'm in your mind  
I can read everything you want

No time to waste  
Don't tell you're scared  
Our love's a chance in a lifetime

I just can't imagine my life  
Without you anymore

Don't go breaking my heart
