leave ur troubles behind
let them get out, off ur mind
come closer, baby
can u feel the heat from the beat?
move it on the dance floor
shake it, shake it, like there is no tomorrow
move it on the dance floor
shake it, shake it, like there is no tomorrow
i've never met someone like u b4
i cannot hide my passion anymore
So come on now, join me on the dance floor
i'll be with u if u need me 4 more
1,2,3,4 get ur ass down on the floor
move it on the dance floor
shake it, shake it, like there is no tomorrow
move it on the dance floor
shake it, shake it, like there is no tomorrow
1,2,3,4 get ur ass down on the floor
move it on the dance floor
shake it, shake it, like there is no tomorrow
move it on the dance floor

shake it, shake it, like there is no tomorrow
