you'd better be strong...

it's like a retroactive
burning inside of me
it's like a nitroactive
to what i used to be

you'd better be strong...

and there's no turning back
you'd better run fast
if you don't get it wrong
you'd better be strong...

it's like a retroactive
burning inside of me
it's like a nitroactive
to what i used to be

you'd better be strong...

and there's no turning back
you'd better run fast
if you don't get it wrong
you'd better be strong...

it's like a retroactive
burning inside of me
it's like a nitroactive
to what i used to be
