I just can't stop playing with my strawberry lollipop
Strawberry flavour
Spreading through my tongue
Spreading through my throat
Deeper and deeper

It's time 4u2 move it baby
Won't tell u no lie
Go down 2 it ur gonna make it
I can't get enough

I just can't stop licking my creamy strawberry lollipop
Strawberry colour
Spreading through my tongue
Spreading through my throat
Deeper and deeper

It's time 4u2 move it baby
Won't tell u no lie
Go down 2 it ur gonna make it
I can't get enough

I just can't stop comparing u with my sweetie
Spreading through my tongue
Spreading through my throat
Deeper and deeper

It's time 4u2 move it baby
Won't tell u no lie
Go down 2 it ur gonna make it
I can't get enough
