Thought I saw a man brought to life
Yeah, he was warm
He came around
He was dignified
He showed me what it was to cry
You couldn't be that man I adored
You don't seem to know
Or seem to care what your heart is for
No, I don't know him anymore
There's nothing where he used to lie
My conversation has run dry
That's what's goin' on
Nothing's fine I'm torn

I'm all out of faith
This is how I feel
I'm cold and I am shamed
Lying naked on the floor
Illusion never changed
Into something real
I'm wide awake and I can see the perfect sky is torn
You're a little late
I'm already torn

So I guess the fortune teller's right
I should have seen just what was there
And not some holy light
But you crawled beneath my veins and now
I don't care
I have no luck
I don't miss it all that much
There are just so many things
That I can't touch I'm torn

I'm all out of faith
This is how I feel
I'm cold and I am shamed
Lying naked on the floor
Illusion never changed
Into something real
I'm wide awake and I can see the perfect sky is torn

I'm all out of faith
This is how I feel
I'm cold and I am shamed
Bound and broken on the floor
You're a little late
I'm already torn
