I've been hoping the new dawning  
May bring with it  
Some peace within our lives  
Because there's too many  
Little babies crying  
Too many soldiers on front lines  
That's why I say

If now and then  
We looked over our shoulders  
Maybe we'll find  
Our way ahead is so much clearer  
We'll know to leave behind  
All of the fears that  
Hold us back from  
Being all we can  
How free we'd be to go  
On in life and fulfill our destiny

Grudges we bear  
Only get us nowhere  
Much better to release  
And free your mind  
well it's not too late  
To right the wrongs that we've made  
The future's tomorrow  
The limit's the sky

When it all seems so crazy  
We wage war after war  
Seem we'll fight till  
We're no more

Chorus

Just as long as

We pull together  
I know we can make it through

Chorus (x 3)
