Long trip squint to the light  
The snow is too white  
I'm pressed to the car door  
Imagine bursting out loud

Being that proud  
I sing softly to myself  
Man-made oceans of fog  
Breathing drawing then wiping it off

I'm floating sideways out the window  
And it's no great big revelation  
Me, I'm not anyone  
It's okay, I'm way beyond numb

Me, I'm not anyone  
Me, I'm not anyone  
Me, I'm not anyone  
Someone is cranky at last

There's hell to be had  
I best sit completely still  
Someone is biting my hair  
Wish I didn't care

As he comes in for the kill  
In the spirit of brotherly love  
In the spirit of drawing some blood  
Imploding sideways out the window

And it's no great big revelation  
Me, I'm not anyone  
Me, I'm not anyone  
It's okay, I'm way beyond dumb

Me I'm not anyone  
Me I'm not anyone  
Me I'm not anyone  
Me I'm not anyone

Man-made oceans of fog  
Breathing drawing then wiping it off

I'm floating sideways out the window  
And it's no big revelation

Me I'm not anyone  
Me I'm not anyone  
It's okay, I'm way beyond dumb

Me, I'm not anyone  
Me, I'm not anyone  
Me, I'm not anyone  
Me, I'm not anyone
