Cursed soul bread by fallen angel of doom will return  
Beyond the blackened burning skys  
7th trumpeter awakened by eternal eclipse and low tide  
Voices from the grave on shore were heard  
Sacrificial rites damnation impurity whispered by the  
wind of the sun  
All might 7th lord of evil  
The fallen angel of doom shall feed all trumpeters  
block on command  
Crucifixions' now burning  
(repeat)  
Reverend of Hades  
Preacher of the dark  
Blessed by the saviour  
Preparing for the ceremonial rites  
Desolation, desecration, restrictions are told  
Deteriotion of the mind and dead souls  
Angel of doom 7th trumpeter awakened  
Devotement of the angels and trumpets in one womb  
Reverend of Hades  
Preacher of the dark  
Blessed by the saviour  
Preparing for the ceremonial rites
