There's a Carnival Town
Called New Orleans
I met this girl there
She said she owns everything
I took her home
She said you got in the show
She took her clothes off and showed me everything
She said boy you got get with the show
This town
Is mimes and circus clowns
Everyone is
In the show
Look around
Painting thier wings
Said the on in the wings you got to get with the show
Cowboys in hats
That's where it's at
Boy
You can join a guitar show
This town is circus clowns
All around
Everything night and day
Look around
You can see the show that we made
She says she loves me
But I don't know
She said boy
You'd better get with the show
She said she wants me
But I don't know
She said boy
You better get with a show
I said she loves me
But I don't know
She said boy you better get with the show
Down at the Cats Meow
You should see her go
She said boy your a hell of a show
Doc's got his broom
She has her stand she's a fairie
Cowboys

Unkle sam
You better get with a show
