You know I see what you've got
and you know I want It alot
It won't be long till im at your door
there's awind of change comming down
Judges are criminals in evening gowns
they want everything all the time
more and more
but I just wnat a piece of you!
you know its insane
but is's true
what we've got aint justice atall
I know how youre gonna feel
and I know how to make it real
mabe your finger hanging around my neck!
because I want a piece of you
I would be satisfied with your head
not anything in your house
I want a piece for what yourve done
I lied
I want a piece for what you said
I want a piece of you
