I want The Bomb
I want The Bomb
You Know The Big One

I want the Bomb
To get me through the day
The big Equalizer they say
I need the bomb in the USA
To get myself from the American way yea

I need the bomb
you know I could use it
I want the bomb
I think I just might use it
I want the bomb
yea know I would abuse it
I want the bomb
Hey who couldn't use it

the bomb
the big equaliser
I got the Lawyers
Breathing down my neck
All the Judges
what the heck
I don't wanna hear it
I want the bomb
I cant work for nothin'
I can't satisfy these nuts no
It's got to end
I work night and day so

I want the bomb
who couldn't use
I want the bomb
I just might abuse it
I want the bomb
I really could use it
I want the bomb

I want the bomb
I could use It

I want the bomb
Who could refuse it

I want the bomb
to equalise
all these space invaders
I want the bomb
to equalise
all the problems in my life

you know enough
I need the bomb
to get them
Revenge they say
I need the bomb
I got to get my way

I need the bomb
you know I'd use it
I want the bomb
I would abuse it
I want the bomb
Every one could use it

I want the bomb
