OOOh Aint it sweet  
Look at that girl  
from her head to her feet yea  
I love when she goes down  
she's just not playin, around no more!

She's so hot and fine yea  
back the thing  
the girl's all mine  
I want her night and day  
all I want to do Is Play Play yea  
Back it up  
turn on the lights

Girl you look like venus!  
Venus blows my mind!  
mmmmm.....  
She's on the TV screen  
Lookin' so fine hot and mean yea  
She's just the thing  
everybodies waiting to get in line yea  
Every one Down for It yea  
Look at that line beatin' a fit  
The ladies hate her so  
Good girls got it goin  
don't you know

Back It Up!!  
Turn Up The Lights

It aint no sin  
My girl likes to win  
she don't mess around  
when she goes down  
she's so hot and fine  
she's a big star now  
goin' down on that ball  
with everything she can  
It would be a sin  
not to see her  
again  
Wild Thing

Do You like my thing  
She's a Porn Star  
gettin down  
She is hot tonight  
desire and Ice she's allright

My My Girl  
I can break it down  
Back IT Up  
Turn on the lights

Blow my mind

Oh my mind
