I dreamed she came back home last night  
Asked her where she'd been  
She said I've been around the world  
And it almost did me in

She said I hope you didn't wait too long  
I have no sense of time  
I see you've written one last song  
And I realized it's mine

Think of all the times we talked  
Sing a nursery rhyme

(CHORUS)

Close your eyes  
I'm right beside you  
Run for miles  
You know I'll find you  
Cause it's all the same  
Change your lovers  
Change your name  
If you need a friend  
Close your eyes, I'm back again

She really came back home last night  
Seemed as if she'd changed  
Said that she go back to school  
And try things once again

But you know it didn't take too long  
Till she lost her way  
And all the reason in the world  
Could see she couldn't stay

As I helped her pack her things  
It didn't hurt to say

(CHORUS)

Cause it's all the same  
Change your lovers  
Change your name

If you need a friend  
Close your eyes, I'm back again
