Visit "[Decode](#)" on MotoLyrics.com

-- From Twilight Soundtrack --

How can I decide what's right when you're clouding
up my mind
I can't win your losing fight all the time
How can I ever own what's mine when you're always
taking sides
But you won't take away my pride, no not this time
Not this time...

How did we get here
When I used to know you so well
But how did we get here
I think I know
The truth is hiding in your eyes and its hanging on your
tongue
Just boiling in my blood but you think that I cant see
What kind of man that you are, if you're a man at all
Well I will figure this one out on my own
I'm screaming I love you so
My thoughts you can't decode
How did we get here
when I used to know you so well
But how did we get here
I think I know
Do you see what we've done
We're gonna make such fools of ourselves
Do you see what we've done
We're gonna make such fools of ourselves
How did we get here
when I used to know you so well
But how did we get here
I think I know
There is something I see in you
It might kill me
I want it to be true
