I should never think
What's in your heart
What's in our home
So I won't
You'll learn to hate me
But still call me baby
Oh love
So call me by my name
And save your soul
Save your soul
Before you're too far gone
Before nothing can be done
I'll try to decide when
She'll lie in the end
I ain't got no fight in me
In this whole damn world
Tell you to hold off
You choose to hold on
It's the one thing that I've known
Once I put my coat on
I'm coming out in this all wrong
She's standing outside holding me
Saying oh please
I'm in love
I'm in love
Girl save your soul
Go on save your soul
Before it's too far gone
And before nothing can be done
'Cause without me
You got it all
So hold on
Without me you got it all
So hold on
Without me you got it all
Without me you got it all
So hold on
Without me you got it all
So hold on
Without me you got it all
So hold on
Hold on
