"Kill & Destroy"

I feel the force of nature now, I feel it
It holds the Earth third from the Sun
The energy that binds us all, the power
The energy in everyone
Supremacy and tyranny authority and violence
They desecrate and take control
They just kill and destroy
They use the hate within you
To rape your mind and take control
Kill and destroy
Break out of their illusion
They made you blind and took your soul
I see a vision of the truth, I see it
It is so deep and oh so pure
A new world order takes control, dictating
They live for murder and for war
Subjugate and violate you're suffering in silence
They demonise you gain control
They just kill and destroy
They use the hate within you
To rape your mind and take control
Kill and destroy
Break out of their illusion
They made you blind and took your soul
A shadow with an unseen hand, they're ruling
Just like a self appointed god
To them we're dust and we're sand, we're nothing
There is no way this can go on
Subjugate and violate you're suffering in silence
They desecrate take control
They just kill and destroy
They use the hate within you
To rape your mind and take control
Kill and destroy
Break out of their illusion
They made you blind and took your soul
(Kill) Kill and destroy
(Kill) Kill and destroy
(Kill) Kill and destroy
(Kill) Kill and destroy
Break out of their illusion

They made you blind and took your soul
