I wanna make you happy, this is my desire  
I wanna make you feel like fire  
I want you night and day  
Every day of my life  
I wanna make you happy, this is my desire  
You're the one who takes me higher  
I want you night and day  
Every day of my life

Feeling inside so close to you  
In your eyes I felt so good  
Realize I'm loving you  
I need you just a little bit inside  
Try to fly just a little bit tonight  
I need you just a little bit inside  
Love is hard to find

I wanna make you happy, this is my desire  
I wanna make you feel like fire  
I want you night and day  
Every day of my life  
I wanna make you happy, this is my desire  
You're the one who takes me higher  
I want you night and day  
Every day of my life

Feeling inside so close to you  
In your eyes I felt so good  
Realize I'm loving you  
I need you just a little bit inside  
Try to fly just a little bit tonight  
I need you just a little bit inside  
Love is hard to find
