I miss you so much now I call again  
Come, come tonight  
Just hold me tight  
This desert rain your my guiding light

We, We were lost  
This world of pain  
I miss you so much now I call again  
Come, come tonight  
Just hold me tight  
This desert rain your my guiding light

We, we were lost  
This walk of tide  
We forgot about love, You forgot about us  
Now I am here  
Dreams become real

I feel like a sand that's blown away  
Back into the storm  
I'm inside this dream  
That feels just like a desert rain

We, We were lost  
This world of pain

I miss you so much now I call again  
Come, come tonight  
Just hold me tight  
This desert rain your my guiding light

We, we were lost  
This walk of tide  
We forgot about love, You forgot about us  
Now I am here  
Dreams become real

I feel like a sand that's blown away  
Back into the storm  
I'm inside this dream  
That feels just like a desert rain

You will always have my soul  
Hidden dreams and secret words  
Missing you

I feel like a sand that's blown away  
Back into the storm  
I'm inside this dream  
That feels just like a desert rain
