I'm ready for love
I'm ready for you
I'm standing right here
I'm waiting for you...

I'm ready for love
I'm ready for you
I'm standing right here
I'm waiting for you...

Surrounding the way
Far from my life
I need you to save me
And be by my side...

Im ready to Love
I tried to wrinkle
Fear breaks apart
Straight from my heart...

I'm ready to be
The woman for you
You're standing right here
Make this moment so true...

I keep chasing dreams
Releasing my tears
Never to hold you
Forever to love you...

You'll Be Crying For Me
You'll Be Crying For Me
You'll Be Crying For Me
You'll Be Crying For Me...

You'll Be Crying For Me
You'll Be Crying For Me
You'll Be Crying For Me
You'll Be Crying For Me...

In The End You Will Find Your Own Way Home
Break My Heart

Take Your Love with you
Just let Me Quit And End this...

Estii»¿ iubirea mea (Romanian for "You are my Love")
Estii»¿ iubirea mea
Estii»¿ iubirea mea
Estii»¿ iubirea mea...

I'm ready for love
I'm ready for you
I'm standing right here
I'm waiting for you...

I'm ready for love
I'm ready for you
I'm standing right here
I'm waiting for you...

Surrounding the way
Far from my life
I need you to save me
And be by my side...

Im ready to Love
I tried to wrinkle
Fear breaks apart
Straight from my heart...

I'm ready to be
The woman for you
You're standing right here
Make this moment so true...

I keep chasing dreams
Releasing my tears
Never to hold you
Forever to love you...

You'll Be Crying For Me...

In The End You Will Find Your Own Way Home
Break My Heart
Take Your Love with you
Just let Me
You wont just tell me the love love...
