Well, I been sleeping for forty days and I know
I'm sleeping 'cause this dream's too amazing
She got gold doorknobs where her eyes used to be,
yeah
One turn and I learned what it really means to see

It's the magical mystery kind, must be a lie
Bye bye to the too good to be true kind of love
Oh no, I could die
Oh, now I can die

Hey, I been sleeping for sixty days
And nobody better pinch me
I swear I'll go crazy

She got jumper cable lips
She got sunset on her breath now
I inhaled just a little bit
Now I got no fear of death now

It's the magical mystery kind, must be a lie
Bye bye to the too good to be true kind of love
Oh no, I could die
Oh, now I can die

It's the magical mystery kind, must be a lie
Bye bye to the too good to be true kind of love
Oh no, I could die
Oh, now I can die
