Gramma said she'll leave the lights on for me
Gramma said the flags are waving for me
Gramma said that somewhere out there there's a good
man, waiting for me

A.M.E.R.I.C.A.
All I want to do is play
See the city every day
Pretty party nation

Tell me that you think I'm good
Happy that I make you glad
'Cause I don't want to think I'm bad, Gramma
I don't want to think I'm bad

Gramma said she'll leave the lights on for me
Gramma said the flags are waving for me
Gramma said that somewhere out there there's a good
man, waiting for me
Gramma said she'll leave the lights on for me
Don't you know, you don't need a thing?
Gramma said that somewhere out there there's a good
man, waiting for me

T.R.O.U.B.L.E.
Trouble's what feels good to me
Crazy as since I was three
Now I'm out to get you

But I'd have bet that lately, Ma
And I'm in love with everyone
And I don't want to think I'm wrong
Just for feeling pretty

Gramma said she'll leave the lights on for me
Gramma said the flags are waving for me
Gramma said that somewhere out there there's a good
man, waiting for me

Gramma said she'll leave the lights on for me
Gramma said the flags are waving for me

Gramma said that somewhere out there there's a good
man, waiting for me

I want to be the whole world's girl, gramma
I want to be the whole world's girl
I want to be the whole world's girl, gramma
Tell me do you think that's wrong?

Don't cry, honey, crazy girl
Don't you know you are the world?
Every time you feel unsure
Try to remember what you are

Gramma said she'll leave the lights on for me
Gramma said the flags are waving for me
Gramma said that somewhere out there there's a good
man, waiting for me
Gramma said she'll leave the lights on for me
Honey, don't you know you have everything?
Gramma said that somewhere out there there's a good
man, waiting for me

Gramma said she'll leave the lights on for me
Gramma said the flags are waving for me
Gramma said that somewhere out there there's a good
man, waiting for me
Gramma said she'll leave the lights on for me
Gramma said the flags are waving for me
Gramma said that somewhere out there there's a good
man, waiting for me
