I'll be the church, you be the steeple
You be the king, I'll be the people
While I was feeling such a mess, I thought you'd leave
me behind
While I was being such a wreck, I thought you'd treat
me unkind
But you helped me change my mind
I'll be the sun, you be the shining
You be the clock, I'll be the timing
Well I was feeling such a mess, I thought you'd leave
me behind
Well I was feeling so upset, I thought the sun never
shine
We've been best friends forever darling
That's' what's up!
You've got my love to lean on darling
You've got my love to lean on darling
You be the book, I'll be the binding
You be the words, I'll be the rhyiming
Well I was feeling such a wreck, I thought of losing my
mind
Well I was feeling such a mess, I thought the sun never
shine
You be the bird, I'll be the feather
We'll be the best of friends forever
Well I was feeling such a mess I thought you'd leave
me behind
When I was feeling such a wreck, I thought you'd treat
me unkind
You've got my love to lean on darling
Forever, come with me!
You've got my love to lean on darling
You've got my love to lean on darling
Yeah, love will leads us all
Yeah, love it is our home
Yeah! That's what's up
Yeah that's what's up
