You wanna be mean
Do you really wanna be mean
If I come clean
Well does it have to be a big scene
Oh no
Well I really messed it up this time
Oh no
Well I really pissed you off this time
What's the matter
Split the atom

I'm the boy in the attic
You're the girl in a daze
Automatic static
Come on now put your toys away

You wanna free me
Do you really wanna free me
Like a bad dream
Keep you frozen 'till you can't scream
Oh yeah
Well you really ripped me off this time
Oh yeah
Well you really messed me up this time
What's the matter
Split the atom

I'm the boy in the attic
You're the girl in a daze
Automatic static
Come on now put your toys away

Stop, stop that noise god damn it
Stop, you're the one who's insane
Two worlds one bad habit
Come on now put your toys away

It's a raw deal
Oh yeah
It's a raw deal
When it's in the places you feel (split the atom)

I'm the boy in the attic
You're the girl in a daze
Automatic static
Come on now put your toys away

Stop, stop that noise god damn it
Stop, you're the one who's insane
Two worlds one bad habit
Come on now put your toys away
