\*\*\*Thinkin' 'bout the time that's gone by  
lettin' out all pain I've held deep down inside.  
There ain't no doubt there's been hell in my life.  
just found out about my pops through a letter he writes  
been locked down but didn't forget about the kids and  
the wife  
tears nearly drown the man's hope of one day seeing  
the light  
up until now been fightin' those tears will Lord-given  
might  
searchin' for a route that'll hopefully lead him one day  
to the sunshine  
but of as for now, the pain still pierces the man's mind  
like the shell of a round  
comin' from the barrel of a cop's nine.  
It's hard to maintain when the pain  
Is deep down inside.  
Living in a life full of rain,  
but still searching for the sunshine.(2x)

\*\*\*Just got more news from a homie who's feeling  
them jailhouse blues  
I know when it's two in the morning and you feelin  
lonely,  
ain't no need to worry,  
cause your homie still down for you.  
And when them other cats turned their backs  
just remember who still kept it true  
Ain't no reason to be living in the past  
just keep your mind focused and you'll make it through  
Forget about the bogus, hocus pocus  
and them shady busters that you thought you knew  
They ain't nothing but pests like locust who'll keep  
bugging 'til the day they done with you...  
You know the rest  
I must confess  
about the many homies we thought were true  
"cause when it came down to the test  
many jet  
leaving us standing with just a few  
But you know the Lord blessed  
Telling you I got your back

so forget about the crew  
So take the load off your chest and lay your head to  
rest  
and remember your homie still hold it down for you...  
It's hard to maintain when the pain  
Is deep down inside.  
Living in a life full of rain,  
But still searching for the sunshine...(2x)  
One love...
