[Bonus Track]

Wake up on my own and i wonder where i am  
My mind begins to clear and i begin to understand  
Today i am in phoenix so im feeling preety low  
Would you like to skip the afternoon and get right to  
the show

Cause i live to rock  
Rock alright  
Just don't care  
What's wrong or right  
Living Loud  
Living Free  
You and me  
The Mad Motherfuckers

I've been rolling i've been moving all night long  
I've been to so many places i don't know where i belong  
I'd like to say this one thing and its in my only fans  
Right here, right now it's the only place that i can make  
some sense

Cause i live to rock  
Rock alright  
Just don't care  
What's wrong or right  
Living Loud  
Living Free  
You and me  
The Mad Motherfuckers

It looks like Motherfuckers R Us tonight

Right over here  
We've got the Crazy MotherFuckers  
Right over there  
We've got the wild motherfuckers  
Right over here  
We've got the insane motherfuckers!!!!

Yeah!!!

And we live to rock  
Rock alright  
Just don't care  
What's wrong or right  
Living Loud  
Living Free  
You and me  
The Mad Motherfuckers
