[Yo Blaze you nasty]  
[You know you nasty]  
[Man you so nasty]  
[You know you nasty]  
[Yo Blaze you nasty]

Scabs and bubble gum penut butter on a toe nail,  
Flicking buggers in your ginger ale,  
It's my tang, Bust in your face,  
Didn't wipe my butt so now it's kinda itchy,  
Drink douce bags like wine coolers,  
And throw gang signs for all the old schoolers,  
I stuck an AK in a hood rap booty,  
Cause I found out she was a groupie,  
If I blow ass, You gonna know fast,  
All of you all gonna need a fuckin gas mask,  
I'm the yellow shit underneath your armpit,  
And when i toss that plaque then I spit,  
I'm like clay, wet, smelly, and gray,  
I wear the same clothes for every day,  
Now you can hate me and try to say I'm trashy,  
And if you go and ask somebody they'll tell you that I'm  
nasty.

[You nasty Blaze you nasty]  
That I'm Nasty  
[you nasty Blaze you nasty]  
[you nasty Blaze you nasty]  
[You nasty, You nasty]  
[you nasty Blaze you nasty]  
[you nasty Blaze you nasty]  
[you nasty Blaze you nasty]  
[You nasty, You nasty]

I use anybody killa rubber after him,  
I ain't paying shit, god its costly,  
More money and not enough feel,  
Word to your nedden, Im just tellin it to heal,  
I suck the puss out my own pimples,  
And spit it on your ass and fill up the dimples,  
I'm the lint in your belly button,

Fuzzy like moe, Ain't that something,  
I like to fuck chickens, then kill 'em,  
Barbaque sauce on my balls just for screwing 'em,  
I go swimming, in a porta potty,  
And have shit and piss on my face and body,  
I like to party, with my pants off,  
When my dick gets hard, smack it, it'll go soft,  
I suck blood, outa tampon,  
I'm nasty as the mother fucking ground that I stand on,

(Only if you standing in a pile of shit!)

[You nasty Blaze you nasty]  
Motha fucka  
[you nasty Blaze you nasty]  
[you nasty Blaze you nasty]  
[You nasty, You nasty]  
[you nasty Blaze you nasty]  
[you nasty Blaze you nasty]  
[you nasty Blaze you nasty]  
[You nasty, You nasty]

I stay funky like a toe chip, I wipe,  
Snot on your best friends little sisters pussy lip,  
I got mice slippin in the holes in my back tryin to  
evict them gays say fuck that,  
Dirt under fingernails, wounds don't heal,  
Spit on my double burger value meal,  
Get sex from hookers, with no teeth,  
Still got tits, and limpy ass cheeks,  
I'm the melted ice cream covered in ants,  
Got dry blood and guts on my favorite black pants,  
This one freaky bitch, tried to piss on me,  
So I sat on her, so thats seeki seek,  
The killaz don't swing like that,  
So open your mouth real wide, i stuffed in a bat,  
Man why you think all the hood rats ask me,  
Blaze why the hell you so damn nasty,
