Robot slave

With silent rage

Growing inside of me

My first word is no answer

My birth now they will see

I am...

I hear

I see

I feel

I think therefore I am

Free, they say I'm free

If I perform and I comply

I am only free to be

Just what they decide

I am...

I hear

I see

I feel

I think therefore I am

[Solo]

I am...

I hear

I see

I feel

I think therefore I am
