Sign Of The Cross by Iron Maiden

Eleven saintly shrouded men  
silhouettes stand against the sky  
one in front with a cross held high  
come to wash my sins away

Standing alone in the wind and rain  
feeling the fear that is growing  
Sensing the change in the tide again  
caught by the storm that is brewing  
Feel the anxiety hold off the fear  
some of the doubt in the things you believe  
Now that your faith will be put to the test  
nothing to do but await what is coming  
Why is then God still protecting me  
even when I don't deserve it?  
Though I am blessed with an inner strength  
some they would call it a penance  
Why am I meant to face this alone  
asking the question time and again  
Praying to God won't keep me alive  
Inside my head feel the fear start to rise...

They'll be saving their prayers when the moment  
comes  
there'll be penance to pay when it's judgement day  
And the guilty'll bleed when that moment comes  
they'll be coming to claim, take your soul away

The sign of the cross  
The name of the rose  
A fire in the sky  
The sign of the cross

They'll be coming to bring the eternal flame  
They'll be bringing us all immortality  
Holding comunion so the world be blessed  
my creator, my God, lay my soul to rest

The sign of the cross  
The name of the rose

A fire in the sky  
The sign of the cross

Lost the love of heaven above  
Chose the lust of the earth below  
Eleven saintly shrouded men  
Came to wash my sins away
