It's 3:00 A.M.
I'm awake and my heart is still dreaming
It's 3:00 A.M.
And outside I hear the souls still screaming

It's been so long
You know since my head's been this clear
Its just like a ship lost in the night
I just don't know which way I should steer

But I'll keep chasing my dreams
And only you can make them real
And I pour my heart out every night
But do you know the way that I feel?

Sometimes this is work
And don't you know sometimes this is play?
'Cause sometimes you're listening to me
But sometimes you don't hear a damn word that I say

Sometimes there's a girl
And sometimes I go home alone
And I guess it's no wonder right now
And that I do very well on my own

But I'll keep chasing my dreams
And only you can make them real
And I pour my heart out every night
Do you know the way that I feel?

And I will play
Just as long as you will listen
Now I'm in no big hurry
To get back on the road

Sometimes in this lifestyle
I feel like there's so much I'm missing
Well I'm missing you
It's just that I'm so far from home

It's 3:00 A.M.
I'm awake and my heart, still dreaming

It's 3:00 A.M.

Outside I hear the souls still screaming
