Lying here with you  
Listening to the rain  
Smilin just to see  
The smile upon your face  
And these are the moments  
I thank God that I'm alive  
And these are the moments  
I'll remember all my life  
I've found all I've waited for  
And I could not ask for more

Looking in your eyes  
Seeing all I need  
Everything you are  
Is everything to me  
These are the moments  
I know heaven must exist  
And these are the moments  
I know all I need is this  
I have all I've waited for  
And I could not ask for more

Chorus:

I could not ask for more  
Than this time together  
I could not ask for more than this time with you  
And every prayer has been answered  
And every dream I had come true  
Yeah, you're right here in this moment  
Is right here where I'm meant to be  
Oh, Here with you  
Here with me

And these are the moments  
I thank God that I'm alive  
And these are the moments  
I'll remember all my life  
I've got all I've waited for  
And I could not ask for more

Chorus:

I could not ask for more  
Than this time together  
I could not ask for more than this time with you  
And every prayer has been answered  
And every dream I had come true  
Yeah, you're right here in this moment  
Is right here where I'm meant to be  
Oh, Here with you  
Here with me

Refrain:

Could not ask for more  
Than the love you give me  
'Coz it's all I've waited for  
And I could not ask for more

And I could not ask for more...
