She's got an inner child
A little dream and a whole lotta wild
But as crazy as it is
It is who she is
She smiles she frowns
And she's sunshine and she's clouds
Emotional to say the least
But that's okay by me
Because when I fellâ€¦â€¦â€¦. I fell hard
For every part
From the beauty in her eyes
To the little patch of scars
The good the bad
The happy and the sad
Her perfections and every little flaw
Because I want it all
Sometimes her lying eyes
And she's found some new laugh lines
But whenever she asks me
It's only beauty that I see
Because when I fellâ€¦â€¦â€¦. I fell hard
For every part
From the beauty in her eyes
To the little patch of scars
The good the bad
The happy and the sad
Her perfections and every little flaw
Because I want it all

And when she falls asleep
I know she's dreamin' a little dream of me
And in a moment you will see that it's easy to believe
Yeahâ€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦.
Because when I fellâ€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦. I fell hard
From every part from the beauty in her eyes
To the love that's in her heart
The good the bad
The happy and the sad
Her perfections and every little flaw
Yeah
I want it all
I want it all

The good the bad the happy and the sad
I want it all
The good the bad the happy and the sad
The good the bad the happy and the sad
